

TR Register National Weekend Alexandra 2024

A World Of Difference

Thursday 29th February – Sunday 3rd March

We are pleased to announce that the 2024 National Weekend will be held in Central Otago, Alexandra to be exact. This is an amazing part of New Zealand, and we are looking forward to sharing some of its gems with you over the weekend. Alexandra is the warmest, coldest, driest, and furthest from the sea in New Zealand. It is “A world of difference” and we hope to explore some of it. The NW will be followed by an after tour exploring Fiordland, Southland, and Otago

Accommodation is in great demand in Alexandra at this time of year so please book very early if you are even just thinking of attending, you can always cancel later.
