

TR Register National Weekend Auckland 2025

Friday 28 February – Monday 3 March 2025

Hi from the Team putting your National Weekend 2025 together.

The Auckland Team invite you to enjoy our city and our hospitality as we celebrate the 50th anniversary of the TR Register formation in New Zealand. What an excuse to party! Bring your 60's gear and your dancing shoes! We are planning a party and you and your TR are invited! Lots of events and fellowship and of course TR Drives and talks are planned. We look forward to welcoming you as we share our wonderful city with the TR Register of New Zealand.

Some Hi-lights to tempt you.....

- **Welcome drinks on Friday night**
- **A beautiful drive around our region on the Saturday**
- **A gala dinner and dancing at the Royal New Zealand Yacht Squadron headquarters to celebrate the 50th anniversary on Saturday night**
- **A Concours and TR Display at a primo event on the Sunday**
- **A prizegiving dinner on Sunday night**
- **The TR Register Forum and Farewell lunch on Monday**
- **And, of course, a fabulous after tour of the East Coast and middle North Island following the weekend.**

For Navigators, Partners and Supporters - although we know the cars are gorgeous and they do turn heads wherever they go, for those who don't want to focus the entire weekend on TR's, we can offer all the sights of Auckland itself. Plus, ferries to Devonport and Waiheke Island and maybe even a **wee bit of shopping**. (You might have to come a week early to fit it all in.)

The TR Register Concours 2025

Our Concours 2025 will take place at the Brit and Euro Classic Car Show. With your participation, we will have the **best display of TR's ever in New Zealand!** Even if you are not in the Concours, please bring your car and join in this fabulous event.

The TR Register will be given a preferential space allotment for this show in recognition of our 50th Anniversary. We have booked the marquee, the judges will be doing their thing, and people will want to talk to you about your cars....

From the first event in 2016, the Brit and Euro has grown to be a wonderful day out. It is billed as "a chance for people of all ages to get up close and personal with some of history's most beautiful vehicles." It is free to attend, and it just gets bigger and better every year.
